Welcome to Meneer Frans!

HAARLEM'S FAVOURITE HIDDEN GEM IN THE MIDDLE OF THE CITY

'Meneer Frans' was named after mister Frans van Duivenboden. Frans was the former owner of the neighbouring furniture store which houses in the same building.

It's a stylish and cosy place, hidden in the centre of Haarlem, where you can enjoy a good cup of coffee, a healthy breakfast and a great lunch. Especially in spring & summer, when we serve all that goodness in the best inner garden you'll ever find in the city.

Not too crowded, not too quiet. We're sure you'll find a comfy place in our restaurant.

Enjoy!

@meneerfrans

We love hearing from our customers and we strive to improve every day on our service and food.

So don't forget to leave a review on Tripadvisor and/or Google and be sure tag us in your lovely pictures on Facebook & Instagram!

We LOVE Gulpener, obviously for their tasty organic beers, but also very much for their care for the local environment while brewing with water from their own wells, hops from their own fields and barley from local farms near the beautiful village of Gulpen..
